About the Book: *The Paris Daughter* is a gripping historical novel about two mothers who must make unthinkable choices in the face of the 1939 Nazi occupation of Paris. Young mothers Elise and Juliette become fast friends the day they meet. Though there is a shadow of war creeping across Europe, neither woman suspects that their lives are about to irrevocably change. *The Paris Daughter* is a sweeping celebration of resilience, motherhood, and love. Kristin will also share the HOW and WHY in crafting her stories, as well as how she determines her creative WHAT.

About the Author: Kristin Harmel is the *New York Times*, *USA Today* and #1 International bestselling author of *The Forest of Vanishing Stars*, *The Book of Lost Names*, *The Winemaker's Wife* and a dozen other novels that have been translated into more than 30 languages. Kristin has been writing professionally since the age of 16. After graduating in journalism she began writing for magazines and contributing to a national television morning show. Her first novel debuted in February 2006. She spent time living in Paris and Los Angeles and now lives in Orlando with her husband and young son. She is also the co-founder and co-host of the popular weekly web show and podcast **Friends & Fiction**.

"Her research is impeccable and her characters come alive on the pages of her books." Goodreads contributor
